

COME

1 Attach a 6ft leash. This stops your puppy from wandering off too far and keeps you in control.

2 Get your puppy's attention, let him lick a treat or two. Stay in his line of sight.

3 Say 'Come'

4 Then back a few feet away from your puppy. He should follow happy and fast.

5 If it doesn't quite work, just try again. He'll get there.

6 When he gets it right, say 'Yes' to reinforce the command and praise him.

7 Practice this exercise a few times a day for about 5-10 minutes at a time.
